Questions about teaching

• What kind of introductory course would you teach at this institution? What other kinds of classes would you teach?

• The teaching load here is a bit heavy. How will you balance teaching and research?

• What is your favorite kind of class to teach?

• We’re thinking of redesigning our major. What do you think the major should look like?

• How would you teach a course in X? What texts would you use? What topics would you cover?
