I am a graduate or professional school student at the University of Chicago (the “University”) and have decided to undertake research, study, work or travel in a foreign country or countries (the “Project”). I have chosen to undertake the Project voluntarily. This agreement confirms my understanding of the following:

1. I recognize that there are certain risks of physical injury (including death) which may arise from research, study, work or travel abroad. I also recognize that there are risks such as those described in the State Department Country Specific Information, Travel Alerts, or Travel Warning (see [http://travel.state.gov/travel/cis_pa_tw/cis/cis_4965.html](http://travel.state.gov/travel/cis_pa_tw/cis/cis_4965.html) and [http://travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html](http://travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html)) for the countries included in my Project, and health risks as described in the Center for Disease Control Health Information for those countries (see [http://www.cdc.gov/travel](http://www.cdc.gov/travel)). I acknowledge I have read this information as it pertains to the countries in which I will travel as part of the Project.

Although the University may in some instances be providing funding, academic credit or other support for the Project, any evaluation of my Project has been solely on its academic merits. Among other things, the University is not in the position to evaluate, and therefore has not evaluated, whether the Project will take place in a safe and secure environment. These are judgments that I recognize I must make independently.

2. I have no condition or dietary needs which would present a risk of injury to me through my pursuit of the Project. I understand that I am responsible for obtaining any recommended immunizations before traveling to my destination(s). I hereby assume responsibility for any injuries, illness, damages or loss which I may sustain as a result of pursuing any and all activities connected with or associated with the Project, except if directly caused by the sole gross negligence of the University.

3. I hereby release and discharge the University, its trustees, employees, agents and representatives from any and all liability, claims, damages and losses, including, without limitation, those arising from delays, delayed or changed departure or arrival, missed carrier connections, weather, strikes, acts of God, force majeure, war, terrorism, quarantine, criminal activity, accident, sickness, injury or death, or other events outside the control of the University, that may be sustained by me or to any of my property as a result of or in connection with pursuing in the Project or any travel incident thereto.

4. I hereby agree to indemnify and hold harmless the University, its trustees, employees, agents and representatives from any and all liability, loss, damage, or expense, including attorneys’ fees, which arise out of, occur during, or are in any way connected with my pursuit of the Project or any travel incident thereto.

5. I also understand that the University does not provide health insurance (except student health insurance if I have elected to participate), accident insurance (unless I am part of a student group that has been enrolled in the University’s accident insurance program through the University’s Office of Risk Management), trip cancellation or baggage insurance to me. I certify that I have health insurance that will cover medical services that might be necessary and agree that I will not pursue the Project should I become uninsured. I further understand that should the University discover that I have not satisfied any one of these requirements, it may, but is not required to, terminate my participation or any funding or other support for the Project provided by the University.

6. It is my express intent that this Agreement shall bind the members of my family, my heirs and assigns. This Agreement shall be construed in accordance with the laws of the State of Illinois, without regard to choice of laws principles. In the event any provision of this Agreement shall be determined to be void or enforceable, such provision shall be modified to most closely reflect the parties’ intentions, and all other provisions of this Agreement shall remain valid and binding.

I am 18 years of age or older. I have read and fully understand the above and I voluntarily sign this Agreement.
