Science and Engineering Expo 2024

Tuesday, September 10, 10 a.m. - 3 p.m. CT on Zoom
Wednesday, September 11, 9:30 a.m. - 5 p.m. CT in person

Are you looking to recruit PhD students and postdocs in Science and Engineering disciplines?

Join us for an intimate two-day recruitment event featuring candidates from the biological sciences, chemistry, computer science, molecular engineering, physics, quantum engineering, and related disciplines.

REGISTER BY AUGUST 23

Registration for one event day (virtual or in person) is **free.** Interested in attending both event days and in receiving extra recognition? Consider sponsoring the event.

Silver Sponsor ($500) — Attend both event days and bring up to five representatives.

Gold Sponsor ($1000) — Enjoy silver perks, select your presentation time, and benefit from promotion before and during the event.

Platinum Sponsor ($1500) — Take advantage of silver and gold perks, and select the students and postdocs you would like to meet.
